Languages

Italian - native

English - B2

Studies

Event Horizon School (2022 - 2025)

Game Programming diploma at Event Horizon School in Milan

Physics | University of Milan (2018 - 2022)

I studied physics at the University of Milan

Art High School Diploma (2018)

I graduated from an Art High School with a specialization in Graphic Design

Selected Projects

The Negative Edge

Third-person arena shooter fast-paced

Villains

My work in the team was mainly centered on the 3Cs (Character, Camera, Controller) and on the animation systems, which made me the point of reference for most gameplay-related features.
